

## You can be a part of a Mass Choir

Our goal – 175 voices in a single choir singing in beautiful St. Bernard Church. This is a great opportunity to share your love of choral music in the supportive environment of the High Cs Choral Festival in Digby.

### Sing & socialize too ...

#### Harmony Harbour

##### Friday

After the first Mass Choir Rehearsal in beautiful Digby Hall, join us in the Pines Grand Lounge for wine and cheese – renew acquaintances and enjoy music provided by “The Fundy Pops Jazz Band”.

#### Conductors Appreciation Night Banquet

##### Saturday

Once again the conductors of all choirs will be piped in by Peter Fyfe. You can sit and visit and have a bit of fun and laughter with friends then enjoy the delicious cuisine by Chef Dale. The evening will be enhanced with quiet background music by violinist/fiddler Dan Froese.

##### Sunday

Concert day! Afternoon rehearsals, excitement builds as preparations are made to **‘sing in the ‘castle’ at 4 p.m.** When the concert is over you are invited to join enthusiastic singers who gather again at the Pines to have a fun wind-up-party – the ‘Afterglo’.
