High Cs in Digby Choral Festival
Marjorie Hales, Registrar
P.O. Box 506
Digby, NS B0V 1A0

Dr. Margot Rejskind is an active conductor, performer, and teacher, and has directed choirs of all kinds, from beginner to professional, in both Canada and the United States.

Dr. Rejskind is a native of Montreal, where she completed her degree in Voice Performance at Concordia University. She earned her Masters and Doctoral degrees in Choral Conducting and Vocal Pedagogy from the University of Illinois at Urbana-Champaign. Dr. Rejskind served as the Director of Choirs for the Royal Conservatory of Music in Toronto from 2006 to 2013, and her former students have gone on to perform at the highest levels in opera, orchestral, and popular music.

Dr. Rejskind joined Summerside Community Choir in 2013. She is also the founding artistic director of Forte Men's Choir, and of Luminos Ensemble, a professional mixed choir based in Charlottetown. In addition to her choral work, Dr. Rejskind maintains a busy private studio teaching voice, ear training, and conducting; and serves on the faculty of the Music Department at UPEI. Dr. Rejskind, her husband Richard, daughter Audrey, and three cats, are all happy residents of Charlottetown.

Elsie Hepburn brings to High Cs her lifelong fascination with singing and the workings of the human voice when it makes music. After completing her university studies, she taught singing at the University of Alberta, in the departments of music and drama. Moving on to being an independent singing instructor, she maintained a private studio in Edmonton for more than 30 years. Now she resides in Granville Ferry, Nova Scotia where she continues her studio work with a small number of students as well as being the organist/choir master for St. Luke's Anglican Church in Annapolis Royal. She will be leading the men's sectional this year, therefore... when in doubt - count!
